### PrEP at the Florida Department of Health in Miami Dade County

*PrEP is available for everyone regarding income and insurance.*

*PrEP is given to everyone regarding their status of residency or citizenship.*

- In order to enroll in the PrEP Clinic, make your appointment by calling our appointment line 305-575-3800 then select Option 3 for appointments.
- On the day of your appointment, you will need to bring:
  1. **Proof of residency:** a utility bill, current Florida driver's license, a lease, or bank statement with your name and address on it.
  2. **Proof of income:** the last 2 pay stubs, most recent income tax or notarized letter telling where you are living, how you are paying for rent and food.
  3. If you currently have **health insurance** please provide us with your card.

### What is the Cost of Truvada for PrEP?

- **If you have a medical insurance**, it is possible that your coverage covers all the cost of the medication.
- Sometimes, some medical insurance **ask for a co-pay**. When this happens, the pharmacy will enroll the client in the Gilead program for assistance for co-pay.
- **If you don't have medical insurance**, when you bring all the documents mentioned before, the PrEP Navigator can enroll you in the Gilead Patient Assistance Program whom can cover the cost for the Truvada for PrEP for a complete year and renew the coverage every year.

### Doctor Visits and Laboratory Tests Costs

- The **initial visit** will be completely free of costs.
- The **follow up visits**, at the Florida Department of Health in Miami Dade County, the most that a client can be charged within the PrEP Clinic is Forty Eight Dollars (\$48) to cover the doctor visit and laboratory test.
- However, is very important that you bring and show your proof of income at registration so that the clerk can place you on a **income base sliding scale**. Depending on your income, you might be eligible to **reduce your cost** within percentages from the sliding scale. Sometime, the percentage can be as low as 0%.
